Bonfire Party

Throw a bonfire night party with an entrance fee. Top-tip: ask people to donate fireworks for the display!

Guy Competition

Ask societies/groups to design their own Guys. Display all the finished Guys somewhere busy on campus and allow people to vote by putting money in the box of their favourite. The one with the highest total wins a prize.

Hot Drinks

Pick a campus hot-spot and sell hot drinks in the cold weather. Make sure you ask permission from the Uni with plenty of time to spare. Top-tip: make the drinks themed!

Back To School

Most schools host a bonfire night party; get in touch to see if you can attend your old school's party to sell cakes, drinks or glow sticks!

GOOD LUCK!
